Re: Account number 6201012146326; and Misrepresented Instrument – Bill of Attainer / Foreign Bill of Exchange titled Loan Statement dated May 1, 2023.

Stare Decisis Law

“A state cannot refuse to give foreign nationals their treaty rights because of fear that valid international agreements may possibly not work completely to the satisfaction of state authorities. Under the supremacy clause of the United State Constitution Article VI, Clause 2, state policies as to the rights of aliens to inherit must give way to overriding federal treaties and conflicting arrangements.”

See **Kolovrat v. Orgeon, 366 U.S.187, 194, 81 S.Ct. 922 (1961)**

“Fraud vitiates the most solemn contracts, documents, and even judgements.”

See **United States v. Throckmorton, 98 U.S. 61, 25 L.Ed. 93**

I, Santiel Marvin Raphael Chambers-Bey, sui juris, an aboriginal and indigenous Moorish American sovereign national of the Moroccan Empire at Maghrrib al Aqṣá, North-West Amexem / North America, the continental Americas in the Moroccan Empire, being of legal age, after being duly affirmed according to law, hereby depose and state the following:

1. I am first nation, being a surviving *consanguinity* heir apparent of the late ancient Moabites (modernly known as Moroccans) from the land of Moab who received permission from the

Pharaohs of Kemet to settle and inhabit North-West Africa (Amexem); they were the founders and are the true possessors of the present Moroccan Empire, with their Canaanite, Hittites, and Amorite brethren who sojourned from the land of Canaan seeking new homes. Their dominion and inhabitation extended from North-East and South-West Africa, across the great Atlantis even unto the present North, South, and Central America and also Mexico and the Atlantis Islands, before the great earthquake, which caused the great Atlantic Ocean.

2. My nationality / citizenship and political status as an aboriginal indigenous Moorish American sovereign national of the Moroccan Empire and direct descendant of the ancient Moabites (Moroccans) are recognized under the registration number © AA222141, Class A, with the Clock of Destiny Moorish American National Identification Card and Zodiac Constitution recorded by Charles Mosley Bey, A Moorish American and my kin by consanguine, on September 10, 1952, in the Library of Congress Copyright Office, Washington, District of Columbia, and the United State Department of Justice.
3. My Moabite/Moroccan ancestors died intestate, and was vested with reversionary interest in the lands and resources of the Moroccan Empire at North America, which foreign European colonists presently occupy and use in usufruct while exercising feudal law practices de facto as citizens of the United States under the expired fifty (50) year mandate, i.e., the Treaty of Peace and Friendship of 1836 (in force 1837) between the United States of North America and the Moroccan Empire; which superseded the Treaty of Peace and Friendship of 1787 between the United States of America, and his Imperial Majesty the Emperor of Morocco. This treaty is part of the supreme Law of the Land per 'Supremacy Clause' of the Constitution for the United States of North America Article VI, Clause 2; and Article 25 of this treaty avers the duration of such occupation as follows:

Article 25. This Treaty shall continue in force, with the help of God, for fifty years; after the expiration of which term, the Treaty shall continue to be binding on both parties, until the one shall give twelve months notice to the other of an intention to abandon it; in which case, its operation shall cease at the end of the twelve months."

4. Per our treaty rights under Article 22 of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Empire of Morocco, and in accordance with the international law provisions of the United Nations Declaration on the Rights of Indigenous Peoples, we are competent to make claim to our inherited ancestral estate in reversion as surviving rightful heirs apparent which is being held in trust de facto by the foreign corporate STATE OF GEORGIA (Inc.) and subsidiaries as escheated fee simple property via color of title under color of law within purview of the plausible 14th Amendment to the United States Constitution. Per the stare decisis law in the *Kolovrate* case mentioned above, our treaty rights to inherit property under Article 22 of said Peace Treaty of 1836 overrides any and all state policies that are made to the contrary, which aver the following:

Article 22. If an American citizen shall die in our country and no will shall appear, the Consul shall take possession of his effects, and if there shall be no Consul, the effects shall be deposited in the hands of some Person worthy of Trust, until the Party shall appear who has a right to demand them, but if the Heir to the Person deceased be present, the property shall be delivered to him without interruption; and if a will shall appear, the
